1. **Identification of the Substance/Preparation and Company**

   *Product Information*
   
   **Product Name:** Chamotte  
   **Article No.:** 31250  
   **Application:** Artists’ and Restoration Material  
   **Company:** Kremer Pigmente GmbH & Co. KG  
   **Address:** Hauptstrasse 41-47, D 88317 Aichstetten  
   **Tel./Fax:** Tel. +49 7565 914480, Fax. +49 7565 1606  
   **Internet:** www.kremer-pigmente.de, kremer-pigmente@t-online.de

2. **Composition/Information on Ingredients**

   **Chemical Characterization:** Chamotte are ground tiles which are often used in industrial furnaces.

3. **Hazards Identification**

   **Additional information:** Non-hazardous product if handled adequately.

4. **First Aid Measures**

   - **After inhalation:** Move to fresh air.  
   - **After skin contact:** Wash with soap and rinse with plenty of water.  
   - **After eye contact:** Rinse open eyes with plenty of water. In case of discomfort seek medical help.  
   - **After ingestion:** Rinse mouth and drink plenty of water. Induce vomiting as long as affected person is conscious.

5. **Fire-Fighting Measures**

   **Suitable extinguishing media:** All extinguishing agents suitable.  
   **Protective equipment:** Wear suitable protective clothing.

6. **Accidental Release Measures**

   **Personal precautions:** Avoid dust formation.  
   **Environmental precautions:** No special measures required.  
   **Methods of cleaning/absorption:** Take up mechanically and collect in suitable container for disposal.  
   **Avoid dust formation and static discharges. Wear protective gear and self-contained breathing apparatus.**

7. **Handling and Storage**

   **Handling:**
   
   **Instructions on safe handling:** Avoid formation and deposition of dust. Provide adequate ventilation.
8. Exposure Controls/Personal Protection

Components with workplace control parameters:

MAC-Value (fine dust): 4 mg/m³

Personal protective equipment

General protective measures:
Wash hands before breaks and after work.

Respiratory protection:
In case of formation of dust.

Hand protection:
Not required

Eye protection:
Tightly fitting safety goggles. Face-shield.

9. Physical and Chemical Properties

Form: powder
Color: reddish-orange
Odor: odorless
Solubility in water: insoluble

10. Stability and Reactivity

Further information:
Handle and store properly.

11. Toxicological Information

Further toxicological effects:
No toxicological data available.
Acute or chronic effects are not expected.

12. Ecological Information

Further ecological effects:
When used properly, no ecological problems expected.

Further information:
Water hazard class: nwg

13. Disposal Considerations

Product:
Product can be taken to a waste disposal site according to local regulations.

14. Transport Information

Further information:
Non-hazardous product according to transportation regulations.

15. Regulatory Information

Designation according to EC guidelines:
The material is not subject to classification according to EC lists.

16. Other Information
This information contained herein is based on the present state of knowledge and is intended to describe our product from the point of view of safety requirements. It should be therefore not be construed as guaranteeing specific properties.
This product should be stored, handled and used in accordance with good hygiene practices and in conformity with any legal regulations.
